Table of Contents ix

Chapter 1 **Introduction to the POST Basic Academy Physical Conditioning Program** . . 1
A. Goals and Objectives 1
B. Background 1
C. Overall Design of the Program 2
D. Program Development 4
Job Relatedness Basis 4
Lifetime Fitness Basis 5

Chapter 2 **Essential Background Information for PT Instructors** 7
A. Conditioning Objectives 7
B. Principles of Conditioning 11
C. Adaptation to Chronic Exercise 13
D. Signs and Symptoms Associated with Exercise Training 15
Perceived Exertion During Exercise 15
Sports Medicine 15
Causes of Injury 16
Heat and Exercise 19
Altitude and Exercise 20
Air Pollution and Exercise 20
Illness or Injury 20
E. Calculation of Training Heart Rate for Aerobic Conditioning 20
F. Components of an Exercise Session 22

Chapter 3 **POST Basic Academy Physical Conditioning Program** 25
A. Minimum Program Requirements 25
B. Program Safety Guidelines 25
C. Conditioning Schedules 26
Three Day Per Week Program 27
Five Day Per Week Program 27
D. Program Flexibility 27

Chapter 3 (Continued)
E. Conditioning Activities 31
Warm-Up/Cool-Down and Stretches 31
Distance Running 31
Aerobic Exercise Circuit with Weights 35
Aerobic Exercise Circuit with Calisthenics 37
F. Prescreening Recommendations 37
G. Guidelines for Training High and Low Fit Students 40
H. Initial and Interim Assessment Procedures 40
I. Administration of POST Job-Related Work Sample Test Battery 45

Chapter 4 **Classroom Instruction** 47
Instructional Goals 47
Required Topics 47
Required Learning Activities 49

Chapter 5 **The POST Job-Related Work Sample Test Battery** 51
A. Development of the POST Job-Related Test Battery 51
B. Administration of the POST Work Sample Test Battery 52
C. Protocols for Test Administration 52
D. Test Scoring Procedures 63
E. Minimum Standard 63
F. POST Guidelines for Evaluating Alternative Physical Ability Tests 66
G. Materials Description 67

Chapter 6 **Recommended Medical and Routine/Emergency First Aid Procedures** 73
A. Medical Prescreening 73
B. Emergency and Routine First Aid Procedures 73

Appendices 75
A. Protocols and Scoring Forms for Physical Ability Tests 75
B. Combative Scenarios 89
C. American College of Sports Medicine Position Statement on Exercise . 95
D. Lifetime Fitness Activities 107
E. Environmental Conditions and Precautions 111
F. Routine and Emergency First Aid Procedures 115
G. Notice of Physical Conditioning Program Modification 127
H. Wall/Fence Climbing Techniques 131
I. Work Sample Test Score Conversion Tables 135
J. Recommended Medical Prescreening Procedures 143
