Date: January 4, 2017 \*\*\*REVISED 9/25/17\*\*\*

Bulletin: No. 2017-01

**Subject: Projected Budget Deficits**

The State Penalty Fund is the sole revenue source for the Peace Officers' Training Fund, and this revenue has decreased significantly over the last seven years. The State Penalty Fund was created as a depository for assessments on specified fines, penalties, and forfeitures imposed and collected by the courts for criminal offenses. To compensate for the declining revenue, the Commission on Peace Officer Standards and Training (POST) in conjunction with the Department of Finance implemented an 18-month budget reduction beginning in January 1, 2014, which was followed by an ongoing reduction of \$5.2 million included in the 2015 Budget Act. The continued decline of State Penalty Fund revenues was mitigated by a one-time General Fund backfill of \$16.5 million in 2016-17. Unfortunately, the revenue decline has continued and POST must make changes in 2016-17 to maintain solvency of the Peace Officers' Training Fund.

To maintain solvency of the Peace Officers' Training Fund, while still maintaining POST's commitment to peace officer selection standards and mandated training, POST is implementing the following actions in 2016-17, effective February 1, 2017.

1. All reimbursements (Plans I-IV) for training beginning on or after February 1, 2017 will be suspended, except reimbursements generally associated with the following training (see Attachment A for additional courses and detail). Please note that only travel and lodging will be reimbursed (not tuition costs) and this bulletin does not make any changes to approved contracts:
  - Regular Basic Courses – Modular, Intensive, and Extended formats
  - Perishable Skills courses (including Firearms, Arrest and Control, Tactical Communications, and Driving, including LEDS and FOS training).
  - Instructor Courses pursuant to Commission Regulation 1070
  - Field Training Officer course
  - Institute of Criminal Investigation (ICI) courses
  - Instructor Development Institute (IDI) courses
  - POST mandated Supervisory Course
  - POST mandated Management Course
  - Sherman Block Supervisory Leadership Institute (SLI)
  - Command College
  - Executive Development Course

- Museum of Tolerance courses
- Legislatively mandated Mental Health courses
- Procedural Justice (Including Principled Policing)

2. Reimbursement for the attached courses will be limited to travel and per-diem only. Tuition will not be reimbursed and backfill remains suspended.

There will be no reimbursement of expenses related to courses that are not listed in Attachment A. Actual payment of reimbursements prior to (and after) February 1<sup>st</sup> will continue to occur on a “first in-first out” basis. The above actions will not affect payments related to POST training contracts.

Questions regarding this alignment should be directed Assistant Executive Director Maria Sandoval at (916) 227-2808 or by e-mail at [maria.sandoval@post.ca.gov](mailto:maria.sandoval@post.ca.gov).
