Authority and Reference

This proposal is made pursuant to the authority vested by Penal Code §13503 (authority of Commission on POST) and Penal Code §13506 (POST authority to adopt regulations). This proposal is intended to interpret, implement, and make specific Penal Code §13503(e) which authorizes POST to develop and implement programs to increase the effectiveness of law enforcement, including programs involving training and education courses.

Informative Digest/Policy Statement Overview

Penal Code § 13510 requires that POST develop guidelines and a course of instruction and training for law enforcement officers who are employed as peace officers, or who are not yet employed as a peace officer but are enrolled in a training academy for law enforcement officers. This proposed action will remove the triennial recertification mandate and will allow instructors to continue to provide training without interruption.

The benefit anticipated by the proposed amendments to the regulations will be to stay consistent with current practice, clear and concise, and meet the needs of POST's clients.

The specific benefits anticipate by the proposed amendments to the regulations will be to increase the effectiveness of law enforcement standards for peace officers in preserving peace, protection of public health and safety, and welfare of California.

During the process of developing these regulations and amendments, POST has conducted a search of any similar regulations on this topic and has concluded that these regulations are neither inconsistent nor incompatible with existing state regulations.

Adoption of Proposed Regulations

Following the public comment period, the Commission may adopt the proposal substantially as set forth without further notice, or may modify the proposal if such modifications remain sufficiently related to the text as described in the Informative Digest. If the Commission makes changes to the language before the date of adoption, the text of any modified language, clearly indicated, will be

Regulation 1009

made available at least 15 days before adoption to all persons whose comments were received by POST during the public comment period and to all persons who request notification from POST of the availability of such changes. A request for the modified text should be addressed to the agency official designated in this notice. The Commission will accept written comments on the modified text for 15 days after the date that the revised text is made available.

Estimate of Economic Impact

Fiscal impact on Public Agencies including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Non-Discretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Costs to any Local Agency or School District Affecting Government Code § 17500-17630 requires reimbursement: None

Significant Statewide Adverse Economic Impact Directly Affecting California Businesses, including Small Business: The Commission on Peace Officer Standards and Training has made an initial determination that the amended regulations will not have a significant statewide adverse economic impact directly affecting California business, including the ability of California businesses to compete with businesses in other states. The Commission on Peace Officer Standards and Training has found that the proposed amendments will not affect California businesses, including small businesses, because the Commission sets selection and training standards for law enforcement which does not impact California businesses, including small businesses.

Affect on Housing Costs: The Commission on Peace Officer Standards and Training has made an initial determination that the proposed regulations would have no affect on housing costs.

Results of Economic Impact Assessment per Government Code § 11346.3(b)

The adoption of the proposed amendments of regulations will neither create, nor eliminate, jobs in the State of California, nor result in the elimination of existing businesses or create, or expand, businesses in the State of California.

The proposed amendments of regulations will increase the effectiveness of law enforcement standards for peace officers in preserving peace, protection of public health and safety, and welfare of California. There would be no impact that would affect worker safety or the state's environment.

Cost Impact on Representative Private Persons or Businesses

The Commission is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Consideration of Alternatives

To take this action, the Commission must determine that no reasonable alternative considered by the Commission, or otherwise identified and brought to the Commission, would be more effective in carrying out the purpose for which the action is proposed; or would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law than the proposed action.
