Date: November 28, 2017  
Bulletin: No. 2017-39  
Subject: **Continued Suspension of Reimbursements for Backfill and Training through June 30, 2018**

As discussed at the October 2017 POST Commission Meeting, POST Staff continues the process of plan realignment of all certified courses to meet the current authorized state budget. While working towards completion of this process, the previous suspension of reimbursements will remain in effect until further notice.

The realignment project will include a variety of reimbursement plans. In the near future, POST Staff will attempt to secure authority from the POST Commission for a hybrid reimbursement plan, which will consist of partial POST reimbursement for agencies sending personnel to select non-mandated priority training. The continued realignment of plans will assist POST in reallocating funds more effectively towards POST regulatory and legislatively mandated courses.

**The reimbursable course list has changed (see attached). The new POST reimbursable course list, dated November 28, 2017, will be in effect from November 28, 2017 through June 30, 2018.**

Questions regarding this proposed regulatory action may be directed to Assistant Executive Director, Maria Sandoval at (916) 227-2808 or by email at [Maria.Sandoval@post.ca.gov](mailto:Maria.Sandoval@post.ca.gov).

MANUEL ALVAREZ, JR.
