

## **INITIAL STATEMENT OF REASONS**

### **Commission Regulations 1005, 1007, and 1008 Amend *Training and Testing Specifications for Peace Officer Basic Courses***

---

The Commission on Peace Officer Standards and Training (POST) proposes to amend Regulations 1005, 1007, and 1008, and the document *Training and Testing Specifications for Peace Officer Basic Courses* to address the following changes:

- Make additional updates to curriculum as part of an ongoing review

All changes to basic academy curriculum begin with recommendations from law enforcement practitioners or in some cases, via legislative mandates. POST then facilitates meetings with curriculum advisors and subject matter experts (SMEs) who recommend changes to existing academy curriculum. These recommendations are submitted to the Consortium Advisory Committee (CAC), which is comprised of academy directors and coordinators. The CAC-approved recommendations are then reviewed by all academies at the quarterly Basic Course Consortium meetings facilitated by POST. The Consortium approved these proposed changes at its May 14-15, 2014 meeting and the Commission approved them at the June 26, 2014 Commission meeting, subject to the Notice of Proposed Regulatory Action process.
