Subject: **POST Releases AB 109 – Realignment Video**

POST is pleased to announce the AB 109 – Realignment Video is now available to view on the [POST Website](#).

This video provides the history of realignment, clarifies the roles and responsibilities of law enforcement agencies, and highlights successful processes and programs.

The video was developed with statewide subject matter experts representing city and county law enforcement, parole, probation, legal services, and in collaboration with Governor Brown's Administration.

Since enacted, AB 109 has provided opportunities for agencies to address processes regarding incarceration, release, and rehabilitation of the criminal population.

Realignment provided counties with funds and support to develop effective release strategies and resources to decrease recidivism rates, making our communities safer.

The video can be watched in segments for convenience. No Continuous Professional Training (CPT) hours are available for this training.

Questions regarding AB 109 – Realignment may be directed to Senior Consultant Larry Ellsworth, Learning Technology Resources Bureau, at Larry.Ellsworth@post.ca.gov or (916) 227-4895.
