Bulletin: No. 2016-07

Subject: **Continued Suspension of Backfill Reimbursement**

In January 2014, the Commission on Peace Officer Standards and Training (POST) initiated an 18-month expenditure reduction plan in efforts to mitigate the projected budget deficit at the end of Fiscal Year 2014-15. This plan included reduction to local agency reimbursement including a suspension of backfill reimbursement for all courses through June 30, 2015.

At the February 2015 meeting, the Commission approved to continue the suspension of backfill reimbursement indefinitely. Until further notification, backfill reimbursement for any POST-certified Plan I or Plan II courses will not be approved.

Questions regarding the training reimbursement may be directed to Assistant Executive Director Dave Cornejo, Administrative Services Division, at (916) 227- 2809 or david.cornejo@post.ca.gov.
