Bulletin: No. 2017-09

Subject: **Update to Management Counseling Services Requests**

POST has updated the sample letter provided to agencies who request POST Management Counseling Services. In response to concerns from some agencies in the field, the request letter now includes information about the process and a change to the implementation agreement contained in the previous sample letter.

Types of studies offered, the process for requesting services, and a copy of the sample request letter can be found on the [POST Website](#).

Please direct questions regarding the request for Management Counseling Services to the Management Counseling/Leadership Development Bureau, by phone at (916) 227-2800.
