Subject: **POST Accepting Evidence/Property Study Requests Starting February 3, 2020**

To meet the needs of the field, POST will be accepting agency requests for Evidence/Property Studies. The Evidence/Property Study request format will be as follows:

Beginning February 3, 2020, agencies requesting Evidence/Property studies can submit their requests electronically under [Evidence/Property Study Requests](#) on the POST Website. The agency head must approve the request for the study.

The study requests will be evaluated, and POST anticipates up to five agencies will be selected to receive a study. Once the agencies have been selected, the website will note that no further requests can be submitted. The heads of the selected agencies will be notified by the POST Consultant, who will work with the agency contact to develop a timeline for completion of the Evidence/Property Studies.

Inquiries regarding the Evidence/Property Study Requests can be directed to Bureau Chief [Don Shingara](#) at (916) 227-4874.
