Bulletin: No. 2020-49
Subject: **Organizational Wellness Survey**

In our continuing efforts to enhance the professionalism of law enforcement, the Commission on Peace Officer Standards and Training (POST) has launched an organizational wellness survey and is seeking assistance from the field.

The goal of this survey is to provide feedback about wellness needs and resources available to law enforcement agencies and their staff in dealing with common stressors facing law enforcement professionals. POST will utilize the results of this survey, in consultation with our subject matter experts, to inform, develop, and support wellness resources available to all law enforcement organizations in the future.

This [short survey](#) can be completed in less than 10 minutes and is completely anonymous.

For questions about the survey, or about other wellness initiatives at POST, you may contact [Andrew Mendonsa](#), Law Enforcement Senior Consultant, Management Counseling and Projects Bureau, at [\(916\) 227-2510](tel:9162272510).
