A. The student will participate in a learning activity that simulates an incident in which information is required to complete a preliminary investigation. The activity must reinforce the student's knowledge and understanding of the types of information accessible to law enforcement through local, state and national information systems. During the activity the student must demonstrate a knowledge of the minimum information requirements for generating a system inquiry related to the following categories:

1. Wanted persons
2. Property, vehicles and firearms
3. Criminal histories
4. DMV information
5. Miscellaneous information

VI. HOURLY REQUIREMENTS

Students shall be provided with a minimum number of instructional hours on information systems.

VII. ORIGINATION DATE

January 1, 2001

VIII. REVISION DATE
