Background Narrative Report

– Commission Regulation 1953(g)

- (1) *The background investigator shall summarize the background investigation results in a narrative report that includes sufficient information for the reviewing authority to extend, as appropriate, a conditional offer of employment. The report, along with all supporting documentation obtained during the course of the background investigation, shall be included in the candidate's background investigation file. The supporting documents shall be originals or true, current and accurate copies as attested to by the background investigator. The background investigation file shall be made available during POST compliance inspections.*
- (2) **Retention.** *The background narrative report and supporting documentation shall be retained in the individual's background investigation file for as long as the individual remains in the department's employ. Additional record retention requirements are described in Government Code § 12946.*

Common Oversights/Problems:

- Narrative **does not provide sufficient** detail (e.g., "all references were positive").
- No documentation in file to allow for actual identification of contacts interviewed and what was said.
- Narrative fails to address all mandatory areas of inquiry.
- Narrative includes all information with **no supporting documentation in applicable tabs.**

B

Personal History Statement

– Commission Regulation 1953(c)

Every peace officer candidate shall complete, sign, and date a personal history statement at the onset of the background investigation. A personal history statement can be either the POST Personal History Statement – Peace Officer, POST 2-251 or an alternative personal history statement. An alternative personal history statement shall include inquiries related to the following areas of investigation: personal identifying information, relatives and references contact information, education history, residence history, experience and employment history, military history, financial history, legal history, driving history, and other topics related to moral character.

Common Oversights/Problems:

Proof of a state search shall be documentation issued by the DOJ consisting of an **official clearance return** and an **authorization to possess and carry firearms**. The authorization shall be relevant to the peace officer position and shall have been generated no more than one year prior to the date of employment.

- (C) A **national search** shall include forwarding the candidate's fingerprints to the Federal Bureau of Investigation (FBI).

Proof of a national search shall consist of an **official clearance from the FBI**. The clearance shall be relevant to the peace officer position and shall have been generated no more than one year prior to the date of employment.

NOTE: Three separate documents are required:

- (1) DOJ official clearance
- (2) DOJ firearms clearance
- (3) FBI official clearance

Common Oversights/Problems:

- Confusing a delay notification with an actual clearance return.
- Confusing a DOJ concealed weapons print return for reserve officers with a Firearms Clearance: a reserve officer needs the same fingerprint returns as a full-time officer.
- Reports are more than one year old and/or associated with a different position (e.g., non-sworn, correctional officer).
- Failing to request returns from **both** DOJ and FBI on the Live Scan request form.
