PROBLEM-BASED LEARNING EXERCISE

PBLE #3: Disorderly Youths in Park

Weeks 9–11

▶ *You are patrolling in your area and a woman near a park stops you. She reports that in the past several months she and several other residents have been having trouble with disorderly youths hanging around in the park. The park is surrounded on three sides by local residences with numerous walkway exits to surrounding streets. The local high school is situated directly opposite the park.*

A records check indicates that neighbors and school officials have called the police about the youths in the park on numerous occasions. Police reports describing trespassing, burglaries, larceny, drug usage, and disorderly conduct have been filed over the past six months. These events occurred during both daytime and evening hours. Uniform and plainclothes police have responded in the past with little effect.
